Subject: Texas v. Google - Meet and Confer on Monday

Rob, Mollie and Jamie,

Following up on our hearing with the Special Master yesterday, there are a few issues we need to confer on, on Monday, listed below. Feel free to add anything I've missed. The States are available to confer on Monday between 1-3 CT. Let us know if a time works for you in that period. If not, we can try to find other times too.

- Google's ROG Responses, served Wednesday 5/1
- Counting of 30(b)(6) and States Depositions

Additionally, a few recent issues that we would like to confer with you on:

- A potential clawback that occurred during the [REDACTED] and [REDACTED] – it is unclear to us the clawback status of GOOG-DOJ-27760500, used in both depositions on 5/2, so would like confirmation on the redactions Google may or may not be asserting as to that document
- Overall issues with the [REDACTED] 30(b)(6) deposition regarding his lack of preparation, lack of knowledge on designated topics, and speaking objections in violation of EDTX local rules

Thanks, Geraldine
